82nd Regional Exhibition of Art and Craft

The 82nd Regional Exhibition of Art & Craft is one of the oldest juried exhibitions in New England. This annual summer tradition at the Fitchburg Art Museum strives to discover, encourage, and highlight the many talented artists and crafters of our community. We hope you will join us, and the artists of the 82nd Regional Exhibition, in celebrating the creative vitality of our region this summer.

The opening of the Regional Exhibition on Friday, June 23, 2017, 6-8pm coincides with the openings of Joe Landry: Hyper Real Estates and Call and Response: Off the Grid. Landry, a Southborough-based artist, was the Frist Prize winner of the 81st Regional Exhibition. And Off the Grid is the fifth iteration of Call and Response—a dynamic collaboration with ArtsWorcester that brings together artworks from FAM's permanent collection with those by artists affiliated with ArtsWorcester.

We continue to be inspired by our creative community, and appreciate all of the artists and crafters who submitted work this year. We hope you will join us for the FAM Summer Party on Friday, June 23, 6-8pm.
